

Healing session supported by Mother Earth

In this now moment I am with you. I am Mother Earth. I am the Consciousness of this planet. I am the core of this planet in contact with each one of you in this now moment. I know every one of my children since the beginning of time because for me there is no time, no space, just consciousness.

And you, by having this intention, feeling my children through you I am there! I am with you. I am going to have my feeling energy in your hands, in your heart, through each one of you if you authorize me to do so.

Today is a sacred moment where we can heal thousands and thousands of my children's hearts, my beloved sacred children of this humanity. These animals in pain, they all need healing energy, they all need loving energy.

When you do this exercise, we are all ONE because in this now moment you are embraced in my heart. My consciousness is with you in this group, each one of you, in your hands, in your heart, in each one of you.

So, do this exercise consciously.
