

## Angel of Transformation

### *Are you willing?*

Let's attune our heart, our glorious heart, beloved children of the Source. I am the Angel of Transformation, the Angel of changes, the Angel of the new Life energy that is being presented to you today.

Feel this energy, beloved ones. Feel this energy of All possibilities, of unlimitedness. Feel the energy of Unconditional Wisdom, Unconditional Love, unconditional of all that you can think of. There is no limit to the power of Life inside you. There is no limit to your creativity. There is no limit to your way of thinking, to the changes that you can bring to your life, in your way of thinking, in your way of feeling, in your way of living. ***There is no limit!***

Feel this!

Today I am coming to ask you a favour: *are you willing to give me your limitations? To give me all those energies that keep you in a jail of smallness? Are you able to choose to give me these limitations? Are you willing?*

I am assisted by thousands of Beings from the inner Earth, the Elementals, the Angels, the Archangels, the Hierarchy of Life in the multi dimensions. Each one of these Beings is attuned to a type of frequency, a frequency of limitation that he can transmute for you.

Imagine that you are releasing from all of your bodies, your thoughts, your emotions, your etheric body, your physical body. You are releasing these energies of limitations in the middle of this circle. These limitations, you do not need them anymore. You have carried them for thousands of lifetimes. They have served you and now we are transmuting these energies of limitations into joy, freedom.

So just visualize, let go of these limitations, known and unknown limitations that belong to the subconscious mind, to the unconscious mind, to all levels of reality that are linked to your consciousness.

Just release these energies that you do not need anymore. Allow yourself to open the door of your new life.

This process will last three days. For the next three days, you will be releasing these energies during day time and at night time. Thousands of Energy Consciousness came. They are surrounding you and they will assist you in transmuting these energies, freeing you from burdens that you have carried for too much time, for too long a time.

This process is a Love process. This process is a process that you choose to do, you choose to release. You choose to detach from your energy, these energies that do not serve your highest purpose. You choose to release these energies that are limiting you, that are not supporting the uplifting of your consciousness.

For the next three days, this process will happen!

Thank you for your cooperation. Thank you for your service to the Light. Thank you for the service of freeing this humanity. Thank you!
